Dear Steering Committee of the Tamil Community Centre project,

I am excited to see the work being done in the Tamil community in Toronto to work together towards the construction of a Tamil Community Centre.

As a councillor representing a Scarborough ward with many Tamil constituents, I share the enthusiasm for this project. I join with you in your work on this project.

I look forward to working with you and the community on next steps as the project progresses. Please let me know how I can be of support. Best wishes.

Sincerely,
